Chef David is a frequent and popular instructor for the LCBO Cooking School and now offers entertaining and delicious team building events. Join clients such as Kraft Canada and Research In Motion in engaging your staff by participating in a culinary experience.

Top Chefs Challenge

Fun and interactive! We customize a culinary challenge and provide Teams with a "black box" of basic food ingredients, kitchen tools, cooking equipment and the opportunity to "win" more ingredients and/or the use of fancy kitchen equipment. Culinary guidance is provided and as participants work on their creations our team creates a delicious meal to compliment the theme. Suggestions include The Great Meatball Challenge, Chili Cook- Off Contest or other customized themes.

Minimum 10 Participants
Duration: 2 hours

Gourmet Cooking Class

Get the whole Team involved in this cooking experience of culinary excellence. Following an introduction to your Chef Host, the techniques for your special menu are first demonstrated, before you are organized into teams for an evening of culinary fun and gourmet excellence. Each team is provided with an apron and then you will help prepare a 4-course, fine dining meal.

Minimum 10 participants
Duration: Approx. 3 hours

Fees dependent on menus and location selected.
